JUNE 2023

ASSOCIATE MEMBERSHIP OF CBROA

You are aware that your CBROA has passed a resolution in the General Body meeting held at Mysuru on 10th and 11th April 2023 to bring all the family pensioners as well as the spouses of our members to the fold of CBROA by enrolling them as Associate Members.

While we are extending assistance to the spouse of the deceased, in most of the cases, women, we noticed that after the demise of their husband, were forlorn and left uncared. They or their wards/caregivers had to run from pillar to post to submit their family pension applications and get their family pension. Though they were free to seek the help of CBROA, they were not adequately informed of the role played by the CBROA in helping the retired bank officers' community. Many of them were not even aware of Family Pension, procedure, etc. Approaching the branches, was found unhelpful. Either they were asked to come again or approach the Pension Fund.

Hence, the CBROA has rightly resolved to bring the family pensioners and spouse our members under their umbrella in order to give them feedback about organisational affairs, communicate with them in submitting Life Certificates, arranging Life Certificate camps at centres where adequate of number of pensioners are concentrated, and such other services.

CBROA is also thinking of evolving a welfare scheme for the associate Members in course of time depending upon the **corpus developed with the enrolment**

fee of Rs.1,000 which is payable one time only at the time of admission. The idea behind organising the family pensioner and potential family pensioners is to inculcate a spirit of cooperation, **one for all and all for one!** The corpus built would be used for the welfare of the family pensioners.

The initiative of CBROA has received very good initial response. Our Office has received more than 300 applications during the month of May, 2023 itself. This shows the confidence of our members with CBROA. While thanking the membership for their positive response, we assure that we spare no efforts to live up to their expectations!

We request you to keep up the tempo and enroll your spouse as an Associate Member. Also, we request you to spread the message among all family pensioners and bring them to our fold.

Our Central Office has already sent

J S Jagadeesh
General Secretary CBROA

copy of Associate Membership applications to all the members having their email registered with CBORA. You may get it printed and send it to our Bangalore Office. The Membership Fee of Rs.1,000 may please be credited to the CBROA's account **No.0408111100140 (IFSC Code – CNRB0000408)** with Canara Bank, Jayanagar Shopping Complex Branch, Bengaluru.

Please note to ensure that the name of the Applicant is mentioned in the narration while remitting the Membership Fee. Please also mention the reference number on the application form so that it would be easy for the Central Office to account the Membership Fee.

CBROA IS WITH THE RETIREE DURING HIS LIFE TIME AND THEREAFTER TOO!

INCREASE IN LIFE MEMBERSHIP FEE

You are all kindly aware that effective from 1st June, 2023, new enrolments to CBROA as Life Member will be on payment of one time fee of Rs.6,000 as against the existing Rs.4,500. It was understood that the Life Time Membership Fee was last revised way back during the year 2010. The revision has been made after lapse of nearly 13 years. During the intervening period the costs have increased.

CBROA is not a business unit that works for profit. CBROA is a welfare institution that channels the cooperative spirit of its members for the benefit of the retired officers community in Canara Bank. The resources for the activities, meetings, conferences and welfare measures are to be met from the subscriptions and liberal donations from its mem-

bers only.

Further, there were no inflow of annual subscriptions from nearly 600 members. The follow up and connected accounting work put lot of burden on the Central Office which manages its affairs only through the voluntary service of its activists, there are no paid staff at the Central Office. It was imminent to do away with the Ordinary Membership and increase the Life Time Membership Fee. The Association shall depend on the interest income and liberal donations for its day to day functioning and welfare activities.

Members may kindly remember that as against their LIFE TIME SUBSCRIPTION of Rs.6,000, they are entitled to reimbursement of Hospitalisation Expenses upto Rs.25,000 and Rs.7,500 Death Relief is given. This means nearly 4 life time members of Life Time Subscription has to be spent to reimburse every claim of Rs.25,000 on account of Hospitalisation expenses. I need not dwell more on this, since we are all veteran bankers and know the economics of funding the welfare activities. Hence, there is need to enroll as many members to CBROA to keep up the benevolent activities of the Association.

Let us all put our efforts to bring all Retirees, their spouse and Family Pensioners from Canara Bank under the banner of CBROA, which is an organisation, not only for the members during their life, but later also.

With Greetings,

J S Jagadeesh
General Secretary

The Associate Membership being offered to the spouses should be totally free and no enrolment fee should be charged under any circumstances. The spouses of the members, who worked for other organizations during their life time need not be permitted Associate Membership. The very purpose of offering the Associate Membership, should be only to help the spouses of the deceased officers who had been rendering yeomen services for the growth of CBOA/CBROA.

We can wait till proper clarifications are

received in this respect.

After the presidential address of Sri KPP Nair, the leaders of the organization, were invited to address the forum. A gist of their speech is given below.

1.Sri PPJ NAIR

He congratulated Sri K P P Nair and his team for arranging this meeting nicely. He said that the mode of functioning of our units in Kerala is well appreciated by our Central leadership. No other states in the country are having state and district committees.

Barring a few Districts the other District Committees are reconstituted. The reconstitution of the committees in the remaining Districts have to take place before the coming 30th of this month. Comparatively younger, members should come forward to accept the responsibilities.

He said that he had circulated a communication, setting out the lead responsibilities of each CC Member, and their geographical area for monitoring and coordinating the activities. No region should be left out without ensuring the care and attention of the respective CC Members. The functioning of some district units are yet to gain momentum. This has to be set right.

He further stated that we have to concentrate on enrolling the Associate members. As per the decision of the General body', the spouses of the members of any organization, except that of workmen organization, in our Bank, can take Associate Membership. He also exhorted the members to participate in the upcoming AIBPARC, meeting, in large numbers.

The formation and functioning of the

Women's Forum also be expedited.

Sri G Ramadasan Nair

Sri G Ramadasan Nair said that due to ill health, he could not attend the General body meeting at Mysore.

He said that conducting regular meetings at all levels is a must and younger people should come to occupy leadership positions. In the matter of Associate Membership, if any clarifications or modifications are necessary, we have to take up with the leadership. The idea was floated by the members of our state and levying of any enrolment fee was not intended originally.

Smt H Lalithambal

Smt Lalithambal said that the idea of Associate Membership originally came from our state. Charging of any fee for Associate Membership was not originally intended. Any how Rs1000 is a nominal amount. In the matter of formation of Women's Forum, it was very difficult to mobilise ladies for organizational works. However she said that she was trying her level best to organise lady members. We should try to enrol, maximum number of non members to our Association. Membership strength is the backbone of any organization.

Bank employees are enjoying the present benefits because of the unrelenting struggles of the old generation employees.

Regarding AIBPARC's forthcoming meeting at Ernakulam, she said that, she would try to ensure the participation of as many members as possible.

Sri VIJAYARAGHAVAN, VICE PRESIDENT, STATE COMMITTEE

Mr Vijayaraghavan said that our Mysore conference went on well. The arrangements

for food etc were very good. The sound system was very poor. Even though, the copies of the General Secretary's report was given to all members, proper discussions were not there.

He also said that CBOA and CBROA should work coordinatedly.

Regarding enrolment of new members, we have to approach the officials due for retirement sufficiently early, instead of contacting them at the last moments. The increase in membership fee introduced, was quite unwarranted. The issue of pension updation has not reached anywhere. Any way we can hope for the best.

Sri V Padmanabhan, Adviser, State Committee

Sri V Padmanabhan, congratulated the new office bearers of CBROA. Ours is the only state where the State and District committees are functioning. Despite our hard work we could not reach the 1000 mark in membership strength in the state. There were the unfortunate deaths of about 45 members during the last few years.

We should work unitedly and effectively to enrol the maximum possible non members.

He further stated that the idea of associate membership was first mooted by the members of our state and initially the aim was to enrol, the spouses of deceased members of CBROA and CBOA.

Enrolment be commenced after getting due clarifications.

After that, the Regional Secretaries, Mr Krishna kumar, Mr Balasubrahmanian Pillai and P Ramakrishnan spoke.

This was followed by presentation of reports by the District Secretaries. Shri K M Philip (Kollam), Sri Babu Jose(Ernakulam), and Sri M

K Abdul Rasheed (Malappuram) presented the reports.

The meeting decided to fix a date for re-constituting the State Committee and its office bearers.

Many members were of the view that no additional fee should be charged for Associate Membership and it should automatically flow to the spouse of the member upon his/her unfortunate death. Many were also of the view that it is meaningless to enrol, the spouses of existing members of CBROA.

The meeting came to an end by around 6 pm with the vote of thanks by Mr Dinesh S.

As there is no Inpatient hospital for Kottakkal Arya vaidya Sala in Kollam she referred him to their Head office at Malappuram. Certificate from Arya Vaidya Sala, Kottakkal dated 20.06.2022 certifying that Mr.Sasidharan Pillai G was under their treatment for Sandhigatavatah, Gonathrosis (Arthrosis of knee) from 07.06.2022 to 20.06.2022. Discharge summary submitted indicated Therapy/Procedures done-Manhalkizhi, Pizhichil and Upanaham, Medications seen administered.

Contention of the complainant:

The complainant is covered under IBA Group Mediclaim Policy for Canara Bank Retirees for the period 01.11.2021 to 31.10.2022. The policy holder/patient submitted the subject reimbursement claim on 01.07.2022 related to his hospitalization at Arya Vaidya Sala, Kottakkal from 07.06.2022 to 20.06.2022. TPA repudiated the said claim with the remarks:-“4.19 Charges incurred at hospital/nursing home primarily for diagnosis x-ray or laboratory examination or other diagnostic studies not consistent with diagnosis and treatment of positive existence of any ailment, sickness or injury for which confinement is required at a Hospital/Nursing Home unless recommended by the attending doctor “As per the claim documents received, it is observed that there is no active line of treatment during hospitalisation, hence claim repudiated. On 13.09.2021 he made a complaint but no reply received. As per clause no.3.2 the subject claim is fully admissible. The medical certificates of the hospitals dated 07.06.2022 and 20.06.2022 given by two different doctors as well as the Discharge summary confirm that the patient was diagnosed with ailment Arthrosis of knee”. The treating doctor is the best person to decide what kind of procedure is required to diagnose and treat.

Contention of the Respondent:

Patient was admitted to Arya Vaidya Sala Kottakkal - Malapuram on 07-Jun-2022 and treated for [Auyurvedic] Arthrosis Knee Osteoarthritis, and after treatment discharged from hospital on 20-Jun-2022. After discharge from the hospital insured had submitted claim documents with amount of 55030/- . After review of the claim documents, said claim is repudiated as per the Policy Norms. A 73 Yrs. male patient was admitted for complaints of pain in both knees Lt> Rt, both ankle pain, varicose vein, blackish discoloration and itching all over legs. During hospitalization of 14 days, patient was treated with Manhalkizhi, Pizhichil, Upanah with oral medication. For said line of treatment Hospitalization is not necessary, same treatment could be possible on OPD basis. As per claim documents received it is observed that there is no active line of treatment during hospitalization. The Claim is Repudiated under policy clause 4.19 as - Charges incurred at Hospital or Nursing Home primarily for diagnosis x-ray or Laboratory examinations or other diagnostic studies not consistent with or incidental to the diagnosis and treatment of positive existence of presence of any ailment, sickness or injury, for which confinement is required at a Hospital / Nursing Home. unless recommended by the attending doctor.

Observation and conclusions:

The Complainant is the holder of Basic Policy (family floater) no.251100502110000279 issued by the RI effective from 01.11.2021 to 31.10.2022. The claim is for his admission at Arya Vaidya Sala, Kottakkal. The policy was valid at the time of the occurrence of the event that has given rise to the claim under discussion here. The RI has rejected the claim for treatment undertaken by the Complainant at Arya Vaidya Sala, Kottakkal, Ayurvedic Hospital and Research Centre invoking CRS Clause: 4.19 and going on to say that there was no active line of treatment during hospitalization; he could have been treated on OPD. I have gone through the said Clause which reads as follows: "Charges incurred at hospital/nursing home primarily for diagnosis, x-ray or laboratory examinations or other diagnostic studies not consistent with diagnosis and treatment of positive existence of any ailment, sickness or injury for which confinement is required at a Hospital/Nursing Home unless recommended by the attending doctor." I do not see how this Clause can be invoked in respect of the claim in question. This Clause seeks to exclude hospitalization purely for diagnostic purposes, where a patient has been admitted to hospital merely to facilitate tests and not for any treatment of an identified disease or ailment. In the claim under discussion, there is no doubt that rather than merely for diagnostics, the admission was for a clearly defined and recorded treatment process. The invoking of this clause is thus completely misplaced. The Complainant has produced certificate from the hospital and Doctor at Arya Vaidya Sala, listing out the treatment undergone and the need for hospitalization. The treatment and process undergone include-Manhalkizhi, Pizhichil, Upanaham, all of which are commonly known to be major procedures done by trained staff under controlled conditions and accompanied by strict norms on rest, diet restrictions etc. Quite obviously these procedures cannot be conducted on an OP basis. They have to be, and in our common knowledge they invariably are, administered only with patients admitted as Inpatients and staying at the hospital for the number of days required according to the procedures involved. The conclusion of the RI (or their TPA) that this needn't have required hospitalization is unacceptable, being based on nothing but conjecture. In view of the above, I have no hesitation whatsoever in concluding that the treatment undergone at Arya Vaidya Sala Ayurveda Hospital and Research Centre by Mr.Sasidharan Pillai G, the Complainant is a bonafide IP treatment that falls within the ambit of cover under the policy and allowing the expenses incurred by the Complainant for the same.

SET TO CROSS THE MILESTONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for greeting the

retirees who reached the milestone and entuse them to tread along. With this objective and in response to desires of several members that CBROA News feature a list of members who crossed 75 years age during MAY, 2023.

CANARA BANK RETIRED OFFICERS' ASSOCIATION MUMBAI UNIT – EMPOWERED LADIES' GROUP Celebration of the International Women's Day

We get 'GOOD' from the society because there is 'GOOD' in the society.

Anything we do to acknowledge this, is less.

Women are playing a pivotal role in creating a strong and inclusive society filled with compassion coupled with capabilities around us.

Large hearted people leave behind such fragrance in the world which stays on for ever after.
