JUNE 2024

FROM THE DESK OF GENERAL SECRETARY

Sub: Donation to our Welfare Corpus

Dear friends,

During last week of March, we have requested the members to contribute for a welfare corpus which would help us in running our welfare scheme viz reimbursement of disallowed portion of the hospitalisation expenses over the threshold limit of Rs.3 lakhs. We profusely thank each and every member who contributed for the welfare corpus. We have so far collected about **103 lakhs**. Around 5600 members out of 12000 members have contributed so far.

Though, we estimated around Rs. 2 crores taking into account average contribution of **Rs. 2000/-** by every member, the amount collected so far falls short of our expectation. Anyway, we have created **one crore welfare corpus** and we expect interest earnings of about Rs. 8 lakhs per annum. However, presently, we are getting around 4-6 claims per month and monthly payments under the scheme is to the tune of 1.20 lakhs to 1.50 lakhs. We estimate our annual payment under our welfare scheme will be around 15-18 lakhs. Hence, to enable us to build a corpus of Rs. 2 crores, which would meet the present obligations under our welfare scheme, we earnestly request

all other members also (around 7000), to contribute generously.

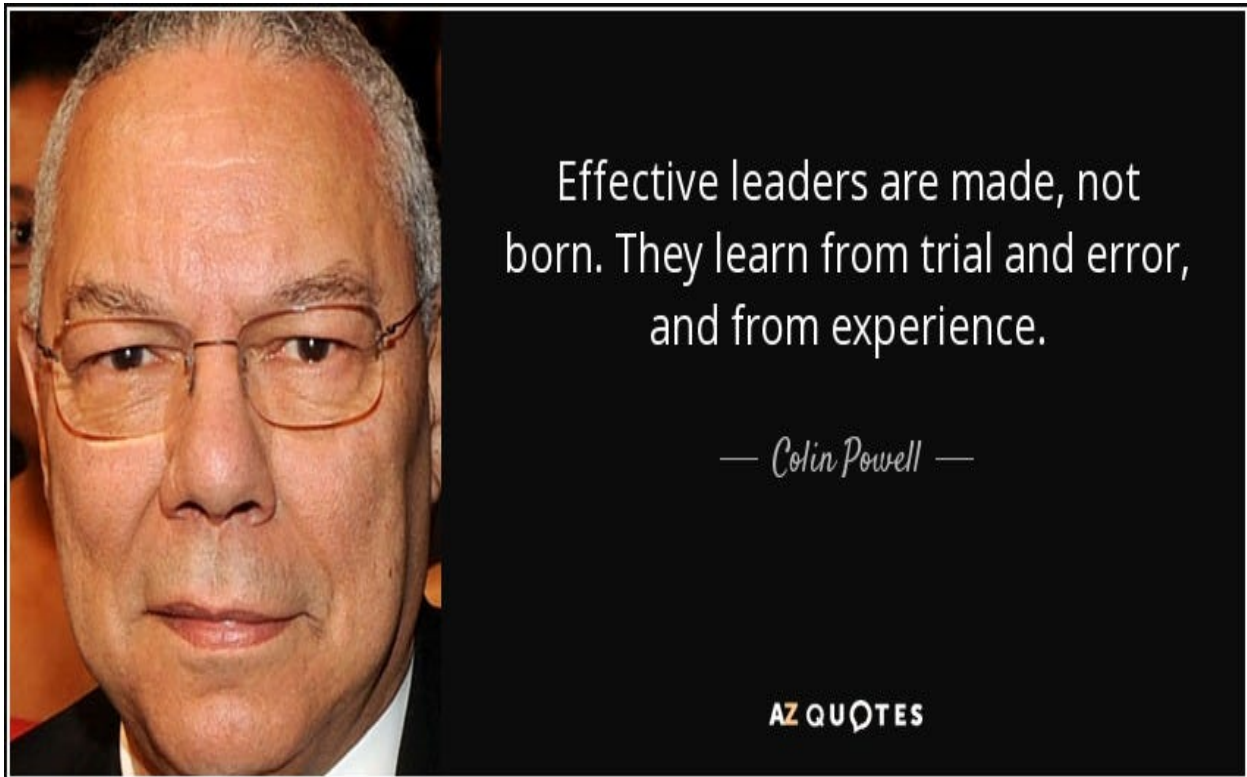

We understand that many of our members are not aware about our call and hence we are appealing through this newsletter to every member to spread the message so that all our members contribute to the welfare corpus.

Further, members may please note that the welfare scheme is for the benefit of all members, our contribution will be helping all the members to have

a **deemed health insurance cover of Rs. 30000/-**. In other words, we are paying for our own health policy of Rs. 30000/-for a lifetime cover, whereas we need to pay annual premium to have such a cover to insurance companies.

Hope, everyone would appreciate the rationale and spirit behind our seeking donation for the welfare corpus.

J S Jagadeesh
General Secretary

EMPOWERED LADIES' GROUP**

There is point to think over. When the languages were invented, I think poetry came before prose, because poetry comes from the heart and prose comes from the mind. As a testimony to this thought, in our country the ancient scriptures and epics are all in the form of verses. Poetry is not just language, but a picture of emotions, which gets itself set in a divine rhythm.

21st March was the international poetry day, and ours was a unique celebration. The members of our empowered ladies' group were called upon to write poems of 2 lines, in any language of their comfort. The announcement was made on the spur of the moment, but the response just threw one off-balance. We received a whopping 82 entries on subjects as varied as nature, environment, life, relationships, mother, time, water, philosophy, humour and many more, in Marathi, Hindi and English. The event proved that there is poetry in every one of us because there is love in all of us.

Here are a few samples out of the total 82 entries:

When we were in service, it was a conscious belief that we must spend quality time with family to have a work-life balance.

When we have retired, the situation has transposed. We have retired only from work; Now, we long for spending quality time with our colleagues with whom we have spent our career life;

With a view to fulfil this kind of wish, Canara Bank Retired Officers' Association, Mumbai Unit had arranged 2 picnics in FEB 2024. As already reported one picnic was on 7th Feb 2024 at Pooja Resorts in Neral. The second one was on 16th Feb 2024 at Krishna Resorts in Vasai.

The day was well spent with various innovative team games and songs. A surprise element was added by way of Magic show by Mr. Deepak Khedekar.

Thanks to the able stewardship of Mr. Suresh Kokal and his team, it was well organised outing with every detail taken care of very efficiently. All those who attended were energised and they enjoyed the day to the fullest. They left wanting to have more such events.

Here are a few photographs of the event:

POEMS By Arun Sunder Raj

A REMINDER

I sent a heartfelt message to my WhatsApp group,
Hoping to connect with my old friends and catch up.

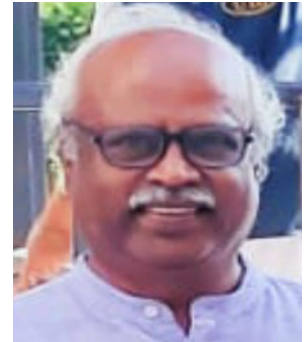

Checked "Read by" list, curious to see who replied,
And there I saw a name that made me deeply sigh.

It said "read 2 minutes before"; it was a lie.
The name was of a friend who had left us and died.

Kept his name in the group, out of love and respect.
Seeing it brought back memories I couldn't forget.

We had shared so many moments, laughter and tears,
We had supported each other through joys and fears.

Now, that he was gone, but only his name remained,
A reminder of the bond that we had sustained

BUILT IN SYSTEM

Those of us who believe that God would listen to our prayers,
Also believe that Divine is watching us everywhere,
While we indulge in paining, cheating or deceiving others.

Believe it or not, wherever required, the Supreme Power,
Has built system to monitor, control and mend us ever.
In Nature, there is no free for all, though it may so appear.

SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such

circumstances, it is really a cause for greeting the retirees who reached the milestone and enthuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who crossed 75 years age during **MAY 2024**.

CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Donations Received and Medical paid during the month of MAY 2024.

Dear friends,

Many members are voluntarily opting out of CBROA welfare scheme (Medical reimbursement scheme) and sending mails, WhatsApp messages. We are finding it difficult to consolidate. Hence, we have devised a google form to enable us to consolidate it. Please use the below mentioned link, in case if you wish to opt out of the welfare scheme.
