

Dear friends,

## **SBI GEN SUPER TOP UP POLICY OFFERED BY K M DASTUR, REINSURANCE BROKER**

It has been a hectic 15 days for us at Central office, Bengaluru in successfully completing the exercise of receiving payment under SBI General super top policy offered by KM Dastur and reconciling the payment received with that of the details submitted in online form. 1389 retirees including many non-members have opted for the policy. We have completely enumerated the pros and cons of subscribing to the super top policy vide our circular 6/2023 and 7/2023 to enable our members to take a prudent, judicious decision to subscribe to the policy. We furnish below the \*list of 1389 retirees (sorted staff number wise) who opted for SBI General Super Top policy\*. All the details submitted by the optees in the online form are available in the list. Please go through the same and if any, correction is to be made, send a mail to [retiree.mediclaim@kmdastur.com](mailto:retiree.mediclaim@kmdastur.com) with a copy to [cbroabr@gmail.com](mailto:cbroabr@gmail.com).

Friends, CBROA opted for subscribing to SBI Gen Super Top up policy offered by KM Dastur, reinsurance brokers only to help the interested members to subscribe for the same as the policy is issued in the name of retirees associations (i.e. CBROA). Though we have successfully completed the exercise of collecting the premium with in a record 5 days time and remitted the same to SBI General account, the reconciliation of the premium amount with that of the online form has been a humongous task undertaken by us at central office. Despite all odds, various difficulties we could complete the reconciliation work on 6.11.2023.. In this connection, I profusely thank Sri. R N Pandit, Sri. D A Suresh and Smt. Thriveni Barkur in helping us in reconciliation work as well as contacting over 100 members to help them in submitting the online form besides seeking information regarding the payment. Our team worked very hard for the last 15 days in achieving the task. Anyway, at the end of the day, it was satisfying that we could help some of our members/ retirees in opting for super top policy in their hour of need.

## **100% DA Neutralisation for pre-November 2002 retirees**

We are happy to note that the long pending demand of CBROA has at last been achieved with the involvement of all the stake holders, especially the AIBPARC, our apex organisation and UFBU. We thank the IBA and the Govt for considering this two decade old demand of bank retirees. In our Bank, over 15000 retirees and 8000 family pensioners have been benefitted. It is a befitting Deepavali gift to all our senior/super senior members. The average increase in the pension would be in the range of Rs. 6000/- to 20000/- for officer retirees who retired prior to November 200

## **APPEAL FOR DONATION**

Dear friends, I was little to hesitant to give call seeking donation from our senior members who pension was increased due to the implementation of 100% DA neutralisation. However, I felt humbled by the generous donation made by many members appreciating the work done by CBROA not only in achieving 100% DA neutralisation but also in implementing the SBI Super top up policy and also various welfare measures undertaken during the last 6 months. The generous donation shows the love and affection of our dear members in CBROA and their confidence in the leadership. While I profusely thank each and every donor personally, I request other members also contribute generously, so that we can undertake more Welfare activities as well as the help the needy members.
