We have this year designed a portal which is extremely user friendly. This portal can be accessed by the retiree via mobile multiple number of times and any correction required can be done on the same without having to email anything to us and waiting for a correction endorsement. Further Go Digit has given us an added advantage of collection of premium directly into their accounts. The reconciliation shall also be done by them, and they will share a daily update with us.

We hope that with these competitive rates, the ease of premium collection and a period of 1 month, we shall be able to reach out to many pensioners.

We once again thank you all for keeping your trust and faith in us. We shall be preparing a link for data collection and sending it out to all.

Regards,
