

**Dear Friends,**

**Since yesterday, many members are seeking clarification regarding reimbursement of Rs.6000/- for those who are opting for IBA medical insurance and Rs. 3000/- for all others. Last year Rs.4000/- was given to all retirees uniformly and Rs. 2000/- to family pensioners.**

**I have escalated the issue to CBOA GS Sri Ravikumar and requested him to atleast maintain the status quo of reimbursing Rs. 4000/- to the retirees who are not opting for IBA scheme. He assured that he would talk to our beloved MD and do the needful. I hope some positive development will emerge. Hence, I request our members to wait for the official communication from the Bank in the matter.**
