### OCTOBER 2024 FROM THE DESK OF GENERAL SECRETARY

Dear Members/Associate Members,

Come the month of October every year there will be a spate of anxious enquiries with regards to the Health Insurance Policy to be floated by the IBA. Many of our members indulge in some speculative exercises on the premium amount. The pensioners and retirees of our Bank have been relentlessly arguing that the Bank should float a common Health Insurance Policy for both the serving employees and retirees. They have also been debating continuously that our Bank should subsidise the Health Insurance premium to a large extent. We are happy that both the above aspirations have been realised, thanks to the concerted efforts

of our beloved MD & CEO at IBA level in introducing a common policy for the serving employees and retirees of the bank. Our Management has also conceded our demand for subsidising the health insurance premium to the extent of Rs. 6,000/-. These developments have taken place on account of relentless campaign waged by CBROA and the proactive stand taken by our MD & CEO who has acceded to our demands. We thank the Management for this nice gesture, which has resulted in substantial reduction in the premium amount to be paid by the pensioners/retirees of our Bank.

As we move through life one concern remains constant: our health.

Transitioning into golden age comes with its health challenges. Under such circumstances it is essential to realise the diagnosis and treatment costs that come with it. Old age brings with itself several ailments which are very expensive to treat and care for. As the age advances, the immune system becomes more fragile with time and slowly operates as one ages. This raises the likelihood of being a host to different diseases or being afflicted with certain critical illnesses. If statistics are to be believed around 47% of India's Senior citizens suffer from at least one chronic disease such as diabetics, hypertension, depression, asthma, arthritis or angina.

After retirement the retiree will have limited income by way of monthly pension and income coming from investments made. A medical emergency often comes unannounced. A single instance of hospitalisation can wipe out the entire life's earnings. Medical expenses can become a substantial financial burden in no time considering the medical inflation which is at an all time. Health care costs are constantly rising in India. Reports say that India's medical inflation is increasing at 15% every year, almost double the overall inflation rate. It means that a heart surgery that costs Rs. 2 lakh

today will cost approximately Rs. 5 lakh after five or six years. Hence, it is crucial to understand that a comprehensive health insurance policy is not just a choice but a necessity for everyone. It protects the insured from incurring exorbitant health care expenditure and ensures that the insured gets necessary medical treatment when required.

We hope the health insurance premium which has been substantially reduced will enable all our members, particularly the family pensioners to subscribe to the IBA Group Mediclaim Policy and enjoy peace of mind as far as their health issues are concerned.

Our commitment to bring further relief to all our members and all the retirees of our Bank will continue unabated.

We wish all our members and their families a Happy, Joyous, Healthy and Prosperous Deepavali.

Dear friends,

The auditorium was jam packed and many members were standing outside the auditorium. Chief Guests Sri Surendran, CGM, HR Wing, Head office in his speech mentioned about the Bank's business position and requested the members to opt for Jeevan Dhara scheme. He spoke about the benefits given to retirees especially cross subsidising the Group Medical Insurance Scheme and huge reduction in the premium from Rs. 77000/- to Rs.41000/-on account of the combined policy for serving as well as retired employees/officers. General Manager, Bengaluru circle Sri Mahesh Pai spoke about the Circle's business position and his happiness in attending the retirees meet and sought support from all the retirees and their family members for garnering business especially CASA for the Bank. General Secretary in his address explained the various issues of retirees especially the IBA's Group Medical Insurance scheme, Super top policy offered by K M Dastur, Status of pension updation, Restoration of commuted portion of pension, reckoning special allowance component for pension and also touched upon CBROA's various initiatives and its role in clinching various benefits for its members and its membership strength, donation, organisational soundness etc. He praised the Canara Bank MD & CEO for his role in convincing IBA to go for a combined group medical insurance policy this year, which resulted in 47% reduction in the premium paid by the retirees vis-a-vis previous year's premium. He also thanked CBOA GS Sri. Ravikumar who constantly pursued this with Canara Bank management and bringing the issue to its logical end. **The highlight of the meeting was the presence of our beloved MD & CEO, Sri K Satyanarayana Raju** who spoke at length about the Bank's business position especially the CASA position and requested the retirees to help the Bank in increasing its CASA ratio, which is the only weak business parameter of the Bank. **He declared that all retirees are brand ambassadors of our Bank.** He said that retirees being senior citizens should guide the young employees and officers and try to understand them as there is a generation gap between them and the present workforce. He

mentioned about some videos circulated by WhatsApp university in retirees groups and in social media and request the retirees to desist from doing such things which give bad publicity to the Bank and tarnish its image. He said Bank as an organisation is sacrosanct and like mother to all of us. He spoke about the couple of benefits extended to retirees when CBROA took up such issues with them, especially the 50% concession given to small and medium lockers hired by retirees and extending the same to all family pensioners too. He also announced the following benefits for retirees under this year's staff welfare measures.

1. Rs. 6000/- will be given to those who are opting for IBA's Group Medical Insurance Scheme.
2. Rs.3000/- will be given as medical reimbursement for all others.
3. A new scheme viz funeral expenses for retirees is introduced wherein Rs.10,000/- will be paid to the spouse/legal heirs in the event of death of a retiree.

Friends, all the above have been pursued by CBROA with the Bank management regularly and we place on record our appreciation to CBOA GS Sri. Ravikumar for effectively taking up the proposals and achieving the same. Our heartfelt thanks to our MD & CEO for extending the above benefits to the retirees.

Shri Sreekanta Murthy, CC Member presided over the Meeting. Shri J S Jagadeesh, General Secretary and other office bearers of Team Mysore were on the dais. Smt. Saroja Halambi, Associate Member, rendered invocation. Shri H N Athmaram, AGS extended a warm welcome to the General Secretary, Shri J S Jagadeesh, who hails from Mysore. He profusely thanked him for joining us on this special occasion. Further he informed out of 15 members to be felicitated today, Mr. Narayana Kamath, Smt Jaya Muthappa, Shriyuths K K Devaiah, D. R. Somasundar, S.D. Rudramurthy, K.M.A.Shukar and S. Nagaraju have graced the occasion and welcomed them and their family members. He expressed happiness on the good attendance for today's meeting and added that this shows the members' interest to hear the address by our young and vibrant General Secretary. He welcomed all the members, specifically those coming from Bengaluru and requested them to actively participate in the deliberations. Later Mr. J S Jagadeesh, General Secretary addressed the gathering covering various issues of interest. At the outset, he informed Mysore city is of special significance to him since it is his hometown, has good number of

acquaintances both within the Bank and outside, it is in Mysore CBROA Conference held in April, 2023 he was elected as General Secretary and many more things. He placed on record efforts of many seniors including Shri Sudhakar Shetty, Shri K B Ballur and others in forming CBROA and CBROA's role in forming CBPRO and AIBPARC. In the formative years of CBROA, CBOA, our parent organisation, played a supportive role to CBROA, including extending financial support. Thanks to each one in the organisation, now the CBROA has evolved itself over the years as a vibrant, financially self-sustaining organisation taking care of the interests of the retiree officers. Later, he explained the efforts made by the CBROA during the past 17 months after he assumed the office of the General Secretary for improving the welfare activities like improving medical aid extended by CBROA to Rs 30000 per member, increasing the financial limit to Rs.1000 for honouring members on attaining 75/90 years, introduction of associate membership, since the death relief scheme of payment of Rs.7500 to the members of deceased members was creating some unpleasant situations and also considering financial aspects, the scheme is since discontinued. On the membership strength, he informed that there are over 17000 members of which over 12000 are active members. Post merger, strength of retirees of the Bank is over 64000, of which 32000 are retiree officers. In a few years, retirees would overtake the number of serving employees. However, the number of officers retiring in recent times and also in future would come down. Nearly

20000 members are not with us. Of this 12000, are from e-syndicate and 8000 are from Canara Bank. He urged upon the members in general and the office bearers, in particular, to enrol new members and also emphasised on enrolling spouses of existing members as Associate Members. He complimented all the organisations in their fight for improving family pension, 100%. DA neutralisation and thanked the IBA/Finance Ministry and all others concerned for making these demands come true. This has helped in improving the pension amount to the concerned class of retirees.

Further, he informed that the financial position of CBROA with the corpus of Rs.5 crores on hand and the income earned therefrom is sufficient to meet the expenditure like conducting meetings, other day to day expenses. However, welfare expenses are being met by the generous donations made by the members. In order to continue and improve upon the welfare measures being extended, a need was felt to build a corpus for the purpose. Hence and considering the increase in pension to certain category of pensioners, he gave a call to the members to generously donate for the purpose. Around 40% of the members responded positively and he thanked each one of them for the donations. This kindhearted act of the members has helped CBROA in creating a corpus of over Rs.1 Crore. Further, he informed that CBROA has now become digital and tech savvy. The house appreciated the efforts of the General Secretary and his entire team.

Thereafter he dwelled upon updation of pension, restoration of pension, IBA medical insurance policy etc.

Updation of pension - He explained the nuances of Pension updation and informed this is dependent on the outcome of the famous M C Singla case. However, this would only result in marginal improvement in view of creation of Special Allowance in 10th Bipartite. The Special Allowance component has seen substantial improvement in subsequent bipartites. The serving employees are not keen on this since they are covered under NPS and contribution from the employer and employees is on Basic plus DA. During the present bipartite, for the current bipartite period exgratia is being paid without prejudice to updation of pension.

Commutation of Pension - While explaining the genesis of commutation, commutation factor for Central Government employees, bank employees, he informed that the demand for restoration of commutation in 10 months and 8 months and so on gained momentum with the Gujarat Government passing an order to recover commuted pension in a shorter period. Enthused by this certain individual bank retirees approached Courts in Chandigarh and Kerala and obtained stay orders. There was pressure from the retirees to initiate legal action from apex level. AIBPARC has recently come out with a circular informing that they are not contemplating any such action. However, it is informed that their constituent members can do so if thought fit and they would extend required support.

On the IBA medical insurance policy, the General Secretary placed on record his sincere appreciation of the favourable stand taken by our Bank's CMD in obtaining a combined policy for the serving employees and retirees. In view of this, IBA has since called for quotes for the combined policy from insurance companies and the same is in process. He informed that there would be reduction in premium to the extent of 15 to 20%. He concluded his address by thanking all the members and wished the guests of honour good health and prosperity in their days ahead.

Later, Shri J V Venugopal complimented the General Secretary and informed about the diagnostic facilities available at Yadavagiri, Mysore and offered concessions to our Bank employees. A suggestion was made to explore providing annual check up on the lines available at Jayadeva Hospital and Sevakshetra Hospital. Shri A Raja, Senior Manager, Canara Bank, Ramakrishna Nagar, Mysore spoke on the occasion and sought support for improving the business of the bank.

Mysore Region felicitated Mr. Narayana Kamath, Smt Jaya Muthappa, Shriyuths K K Devaiah, D. R. Somasundar, S.D. Rudramurthy, K.M.A.Shukar and S. Nagaraju. Shri J S Jagadeesh General Secretary and Team Mysore honoured the guests and their family members and wished them a happy, healthy and contented life ahead.

## MY PRECIOUS

Through all day and night,  
Since my birth on earth,  
To keep me alive,  
Never do you sleep,  
Never do you rest.

You keep doors open,  
Making me crave for,  
Pairing someone's heart,  
That leave me worried,  
To get while I fail.

At all times of strife,  
With me you too cry,  
Largely comfort me.  
But still sometimes I,  
Take you for granted.

My pains you could bear,  
I cannot bear yours.  
If not spry you are,  
I will be futile,  
Since I can do nil.

Crucial that you are,  
Me to be alive.  
Good bye if you bid,  
For me it's the end,  
I will soon be dust.

Thank you for all that,  
For me you have done.  
Separate me not,  
My precious dear HEART,  
Grateful I shall be.

## SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for

greeting the retirees who are set to reach the milestone and entuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years of age during **OCTOBER 2024.**

## CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Dear friends,

Many members are voluntarily opting out of CBROA welfare scheme (Medical reimbursement scheme) and sending mails, WhatsApp messages. We are finding it difficult to consolidate. Hence, we have devised a google form to enable us to consolidate it. Please use the below mentioned link, in case if you wish to opt out of the welfare scheme.

## CBPRO DEMONSTRATION AT FREEDOM PARK BENGALURU 23-09-2024

We have pleasure to convey that a massive Dharna/ gathering was organized by CBPRO at the Freedom Park, Bengaluru on 23rd September, 2024. More than 1200 pensioners & family pensioners participated in the programme. This enthusiastic assembly could effectively bring our demands for updation of pension and other vital issues into the centre stage. The senior citizens took an oath that they would try their level best to ensure their participation in the centralized Dharna at Delhi. An effective message was also percolated to the Society about the deprivation suffered by the senior citizens of the industry through the print and electronic media to whom our gratitude is boundless. The principal demands had been (i) updation of pension (ii) health insurance at affordable cost (iii) reckoning of special allowance for calculation of pension and gratuity (iv) restoration of commutation after 10 years (v) pension option to left out resignees/retirees (vi) consultative status for the retiree organizations.
