### JANUARY 2025

### FROM THE DESK OF GENERAL SECRETARY

Dear Members/Associate Members,

Every year on the night of December 31st, we welcome the New Year with excitement. We also bid farewell to the year gone by. The New Year is a time of reflection and renewal, it is a chance to look back on the past year, acknowledge our accomplishments and learn from our challenges. Each year teaches us lessons, things that went well, the right choices and mistakes we made, relationships gained and lost, success and failures, and much more.

Many a time we desire to make resolutions for the New Year.

Resolutions are made and often forgotten. It is seen that few people stick to their resolutions for up to six months and very few see them through to the end.

Instead of repeating the usual patterns, adopting a new approach to the upcoming year can fill us with optimism. We are all growing old on each passing year. In this advanced stage of life we crave to live a better life and age gracefully. Investing in meaningful relationships is a tool to make our lives fulfilling and impart a novel sense of joy.

Relationships bring both joy and stress. Studies say about 80% of personal stress stems from relationships. The imbalance between what is given and what is expected often leads to disappointment. Expectation is the enemy of pleasure.

During these days of technological advancement, technology helps us stay connected, but it has also made our relationships shallow. Endless scrolling often replaces moments that could have been spent with someone we care about. How many relationships are truly developed through excessive usage of social media? Sometimes we become so engrossed by technology that we fondly converse with people all over the globe without caring for our next-door neighbour.

Spending time with our dear and near ones can fill our life with deeper meaning. Investing in personal relationships can bring inner peace and a sense of joy which is very essential for all of us at this stage of life.

We can live a happy life if we develop willingness to acknowledge our mistakes, to forgive, forget and let go of trivial things that may often consume the mind.

Life, much like a device, needs a source of power to function. Without connection to something higher, life can often seem worthless and purposeless.

The Bhagavad Gita mentions that the one who connects with the Supreme, finds peace and inner joy. Prayer, meditation or a simple moment of gratitude can fill our life with inner joy. Connection with the Supreme or Divinity helps us navigate through life's challenges, difficulties in a dignified manner. The Bhagavad Gita gives a beautiful analogy of a person who is connected to the Supreme Source. Since time immemorial rivers have been pouring unlimited amounts of water into the ocean. Yet the ocean does not overflow, it remains calm. Similarly, a person who takes the time to connect with the Supreme Source becomes peaceful like the ocean. He is not affected by the multitude of difficulties, adversities, sufferings, heartbreaks or betrayals that life brings forth.

Let us welcome this New Year with positivity. Let us be grateful for all that we have received. Let us strive to invest our time in meaningful relationships, grow beyond our cocoons to become majestic birds soaring high in the sky. By connecting ourselves with the Supreme, may we attain eternal peace and happiness, a

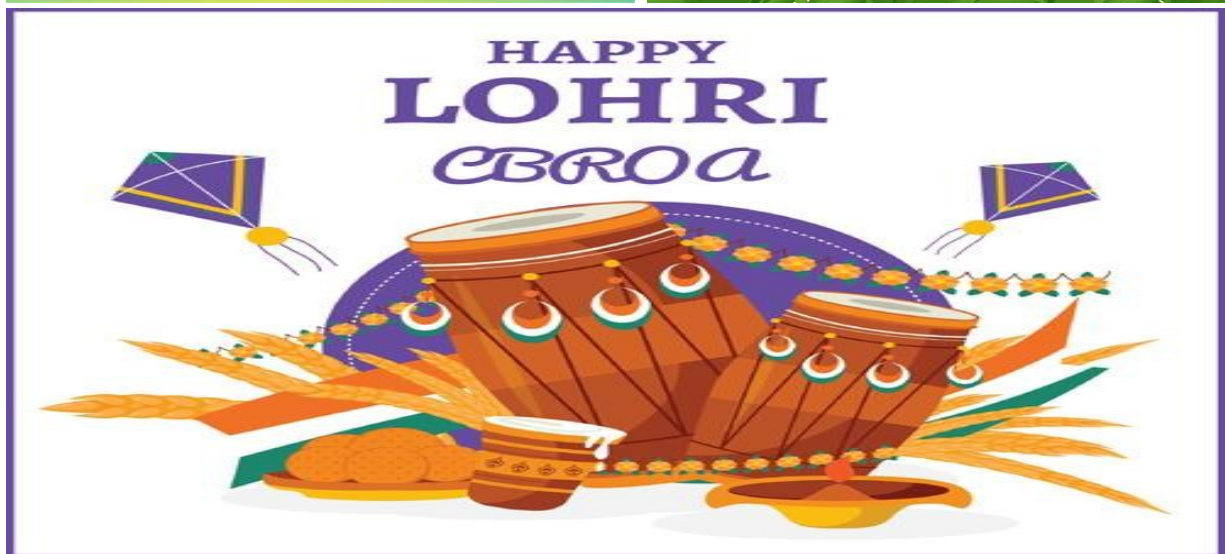

perfect recipe for living a better life during the golden years of our life.

May the year 2025 shower you with blessings, peace, health, happiness and cherished memories with the loved ones. Cheers to a fresh start. HAPPY NEW YEAR 2025.

May the festival of MakaraSankranti / Pongal / Lohri / Bishu

bring you and your family abundant happiness, good health and immense joy. Happy Makara Sankranti / Pongal / Lohri/ Bishu to all our Members, Associate Members and their families.

**J S Jagadish.                      BENGALURU**  
**General Secretary.            01.01.2025**

We wish you all a very happy, healthy and prosperous New Year -2025. May this New Year bring all the joy in your life as well as your near and dear ones.

With the love, affection, support and benevolence of all our dear members, (y)our CBROA is today is on a strong pedestal. We are growing old on each passing year but age shouldn't deter us for fighting our legitimate demands. We need to keep our spirits high and keep going. For God's grace, we are all reasonably and comfortably placed in the society. The need of the hour is to help the needy ones among us and help the less fortunate ones. Let us do something meaningful and purposeful in our life so that posterity remember us.

Let us live happily and bring joy in the lives of the less fortunate ones.

Wishing you all once again a very happy New Year!

God bless you all!

With warm greetings and regards,

J S Jagadeesh

## RETIRING UNSCATHED

In banking's hallowed halls, we walked with utmost care,  
Where lucrative jobs came, with mental stress to share.

Customers and superiors, kings on their thrones,  
Demanded obedience, left us to atone.

To meet their expectations, felt forced to comply,  
We stifled, like a bird, with clipped wings to the sky.

But learned to listen, attentively and with grace,  
With humility and willingness, to embrace.

Though they would be wrong, we had to nod and take note,  
Without hurting, their expectations to promote.

Our humbleness were not slavery, but a choice,  
A culture to honor, those struggled to rejoice.

We would hesitate not, to say "Yes" though disagreed,  
Then, with tact, shared right views, and let merits proceed.

This is how we served, with honor and joy inside,  
On superannuation bid good bye, with pride.

Retiring unscathed, was a triumph to behold,  
A badge of honor, for a story yet untold.

## SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for greeting the retirees who are set to

reach the milestone and enthruse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years of age during **JANUARY 2025**.

## CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.
