## MARCH 2025

### REMEMBERING LATE SRI V P KAMATH, VISIONARY OF OFFICERS' TRADE UNION MOVEMENT IN CANARA BANK

J S JAGADEESH  
GENERAL SECRETARY

G A HANDE  
CHAIRMAN

A N KRISHNAMURTHY  
PRESIDENT

Dear Members/Associate Members,

It is with profound sadness that we inform you the passing away of Sri V P Kamath, the Founder General Secretary and President of Canara Bank Officers' Association. A visionary and inspiring Trade Union leader, Sri V P Kamath dedicated his life for the cause of Officers' community in our Bank.

Sri V P Kamath was elected as the General Secretary of Canara Bank Officers' Association in the Foundation Conference held at Mangaluru in the year 1970. During the 1960's the Officers in the Banking industry were sandwiched between the despotic Management and non-co-operative, highly militant workmen staff. The Officers of our Bank felt the need to unionise themselves to fight against the oppressive Management. Sri V P Kamath took the lead to form Canara Bank Officers' Club in Mumbai in 1966. The representatives of the Club were submitting memoranda to the Management to redress some of their grievances. But the Management never took a proactive stand on the burning issues of Officers.

Officers in State Bank of India and Central Bank of India had organised under the banner of Officers' Association. In the year 1969 there was an indefinite strike in State Bank of India and it was a great success. This prompted the Officers of Canara Bank to organise under the banner of an Association of Officers of Canara Bank in the year 1970. CBOA was registered under the Trade Union Act 1926, during February 1970. After Nationalisation of 14 major commercial Banks on 19.07.1969, the Officers' movement in the Banking industry got the momentum. Sri. V P Kamath was in the forefront of all these activities in Canara Bank.

After formation of Canara Bank Officers' Association in 1970, efforts were made to get recognition from the Management. With vigorous efforts of Sri V P Kamath, the Management of Canara Bank accorded recognition to CBOA.

After adorning the post of General Secretary, Sri V P Kamath was successful in prevailing upon the Management of Canara Bank to set up the Joint Conference forum and invite the representatives of CBOA for redressal of grievances of Officers. The first Joint Conference was held at Head Office on the 24th, 25th and 26th of November 1970. Thereafter Joint Conferences were held regularly at periodical intervals. Many improvements in Service conditions were achieved.

In 1979 CBOA gave a call to its members to work-to-rule against implementation of the Pillai Committee recommendations on standardisation of Salaries, perks and allowances. The action programme culminated in indefinite strike programme in October 1979. The strike was a thunderous success under the leadership of Sri V P Kamath.

He held the post of General Secretary from 1970 to 1975, again from 1980 to 1983. He was elected as the President of CBOA for the period 1978 to 1980. During the turbulent period Sri V P Kamath steered the organisation to safe moorings, although there were betrayals, desertions by members of CBOA out of fear psychosis of punitive action by the Management. He held the fort at Mumbai with his sheer determination, acumen, perseverance and sincerity.

Sri V P Kamath had a strong conviction that genuine leadership is to lead others from the front, leadership means vision first and above everything, leadership is not an ego game, leadership means responsibility, leadership means giving service, leadership means action. He strongly believed that humility is self-honesty. Because of self-less efforts of leaders like Sri V P Kamath, CBOA emerged as one of the strongest affiliates of erstwhile AICOBOO and subsequently AIBOC.

We had an opportunity to meet him at his residence at Mumbai along with Sri Sudhakar Shetty, former General Secretary, CBOA and Sri V P Kamath and his wife were very happy to receive us. He went down the memory lane and shared lot of information about the activities of CBOA in that era. He became nostalgic and there was sparkle in his eyes when he reminisced the bygone era through which CBOA waded. Strange are the ways of Providence and Sri V P Kamath has been snatched away by the Almighty.

As we mourn the loss of a great leader, we also celebrate his remarkable life and the enduring impact he has made.

Our thoughts and prayers are with his family during this difficult time.

Rest in Peace Sri V P Kamath mam, your legacy lives on. You will always be our guiding light to continue your everlasting legacy.

### FROM THE DESK OF GENERAL SECRETARY

#### Dear Members/Associate Members,

The Government of Karnataka is considering a hefty hike to salaries and perks of MLAs and MLCs with a bill expected to be introduced in the ongoing Session. Reliable sources say a staggering 50% increase is on the cards. Currently legislators have been receiving about Rs 3 lakh per month, including perks. If a 50% hike is implemented, their salary and perks will rise to Rs 4.5 lakh per month. Lawmakers across political parties have pushed for the increase citing inflation. They argue that the current salary which includes 50% perks, is insufficient for routine expenses. This flies in the face of data from the Association of Democratic Reforms which revealed that

97% of Karnataka lawmakers are crorepatists, with an average declared asset value of Rs.64 crore. The proposal is even more ludicrous since the last revision was in 2022. Normally salaries are revised every five years, indexed to inflation, but lawmakers are pushing for an early raise, which is expected to cost the state exchequer an extra over Rs.100 crore annually. It also comes amid a severe financial crunch which the Government is facing.

This pattern of hiking salaries and perks of lawmakers is followed by almost all the states and also the Parliament and all the political parties across the spectrum have been giving a push to this. It is very strange that the lawmakers decide their own salaries and perks in a whimsical manner which

defies all logic and reasoning. In contrast there is Central Pay Commission to decide the salaries and perks of Central Government employees, employees of some Public Sector Undertakings, there are State Pay Commissions to decide the salaries and perks of State Government employees, Bipartite Settlements in case of Bank Employees. Though the constitution declares that all men are born equal and are subject to Rule of Law, discrimination and arbitrariness are paraded in a naked manner, thereby creating inequalities among the citizens. While we have no grudge against the lawmakers who are enhancing their own salaries and perks in an arbitrary manner, in all fairness we expect the lawmakers to honour the legitimate aspirations of Bank Pensioners.

The Government and IBA have been defying law and all the pleas and representations of Pensioners of Banking Industry for revision of pension, improved medical assistance/ hospitalisation benefits have fallen on deaf ears. The demand of pension updation stands on a solid legal footing and it should not be looked upon as a gift by anybody. Documents justifying our demands have been submitted to the Union Finance Minister, Officials in the Department of Financial Services, but alas! our repeated pleas have not moved the concerned an inch. The just and legitimate demands of the Bank pensioners are hanging fire for more than 30 years, thereby denying legitimate benefits to thousands of hapless bank pensioners. The lawmakers who are concerned more about their own salaries and perks, have no time to honour legal aspects of the legitimate demands of Bank Pensioners. Denying what has been agreed and minuted like Pension Updation as available to Central Government

employees, RBI Pensioners is a travesty of justice. Our sacred Constitution declares that all are equal but in reality some are more equal. We have been waging a crusade against the Government and IBA, who have denied the legitimate benefits to the Bank Pensioners and the struggle has been relentless to end the injustice and deprivation.

Justice prevails only when injustice is fought. Truth triumphs only when lies are opposed and exposed. Nothing prevails or triumphs over its opposite, without protest, opposition and fight. Friends the struggle continues, under the banner of AIBPARC and CBPRO and we hope that the power that be will realise the arbitrary denial of just and right demands of Bank Pensioners cannot be kept in limbo forever and will consider our demands positively before soon. Please remember, where there is action, there is victory. Our campaign to end this arbitrary denial of the legitimate benefits will continue.

We wish all our Lady Members / Associate Members, a very happy International Womens' Day.

We also wish all of you a very happy and joyous Ugadi and Eid Al-Fitr.

CBROA PUNE 31 Jan 2025

" या...चिमण्यांनो...परत फिरा रे....."

JALSA 2.0, performed with जलवा, जज्बा & जूनून by members of CBROA, Pune units on Friday, 31st January 25 was clear reaffirmation of talent, passion, and competence by all performers - Singers, Dancers, Speakers, Writers, Painters,

Cartoonist, Poets, Anchors, Tabla Player etc. The most important thing is that all our Senior Citizens are following their heart with audacity and sensitivity that unfolds with passing time. If you win any championship, you are good. When you win it next year too, you are good enough to be great. This is what CBROA, Pune Unit leadership ably led by त्रिदेव – Sri R R Bagale, Sir Deepak Dalvi and Sri Suneel Mehendale have proved by yet another successful execution of स्नेह मेळावा - जलसा 2.0. Hearty Congratulations & Kudos to them. The major highlight of the evening was skit presented by PEARL Group, written and directed by Sangeeta Karnik with aplomb. It was a story of चार चौघी - Sangeeta, Sharayu, Jyoti & Vandana, retired from Canara Bank and their recollection of their journey covering their marriages, family, promotions, transfers, office life etc studded with suitable songs rendered beautifully by Deepa, Seema, Pradeep, and Anjali culminating in remembering well-settled progeny abroad by exhorting them... परत फिरा रे....

Poetic recital by our celebrated Poets - Suresh Sheth, Vinayak Vaidya &

Ashok Karnik underscored the presence of talented writers amongst us. Sadashiv Deshpande impressed everyone by his Banking Odyssey travelling from rural-to-rural Branch. Storytelling is great art and our Deshpande has plenty of it. Anjali Phansalkar took everyone on a memory lane by her illustration of the famous character of Pu La Deshpande's नारायण. Kashinath More, playing on his Synthesizer was a revelation. Prakash Pandit with his friend Mr. Prabhakar Godbole on Harmonium performed marvellously. Besides, he gave Pradeep and Anjali rhythmic support in their song renditions with Anjali made people dance with her लावणी - रेशमाच्या रेघांनी....

Our established बेला के फूल singer displayed a superlative show this year with improved renditions. Pradeep Jain began from the high sky with आंसमान से आया फरिश्ता where Supriya added her naughty जा जा...जाजा जा with relish. Bhaiya Saheb was calm and cool in जीवन से भरी तेरी आँखे while Suhas Ballal was Hemant Kumar in ये नयन डरे डरे. Priya Bhise showed confidence in तूने ओ रंगीले

कैसा जादू किया while Vasudha Deshpande was spot on in दिल है छोटा सा। Upendra Kumar Jain, our Indore friend, also sang कहीं दूर जब दिन ढल जाए peacefully while Manohar Gokhale was फटाफट in his rendition of नाच मेरी जान. Manohar Patil was as sober as Balraj Sahani in his heartening तुझे सूरज कहू या चंदा. Duet songs of the evening drew the maximum applause from the audience today. Deepa & Hemant Godbole were just too good in हवा के साथ साथ.. अरे रे रे and with Sunil Dhuri, Deepa made it a moonlight experience in चंद्र आहे साक्षीला. Sunil Dhuri made it franrant with Priya in rendering धुंदी कळ्यानां and with Seema, it was an old world charm in उधर तुम हंसी हो. Pradeep Jain returned with Anajali Joshi with gusto in आधा है चंद्रमा है. Later Anjali joined with Seema in energetic song रेशमी सलवार कुर्ता जाली का with panache. Farewell to JALASA 2.0 was appropriately planned by melodious Supriya by singing सायोनारा...सायोनारा with the entire singer group joining her in thanking the cheerful audience for their invaluable support in making this evening truly memorable. The

player of the match was our endearing Anchor Jayashree Rajpathak who navigated the show with confidence. She performed like an FTII trained actor. Seema Yewalekar and Anjali Joshi provided excellent technical support while the back office was managed with precision by Hajare, Gothe, Hardikar, Anil Deshpande, Kailash Kadam, Suresh Sheth, Pune regional committee Members and activist members, Special appreciations to the show director Mr Ajay Muthatkar and assistance Director Mr Pradeep Jain. Another feature of the evening was installation of small Art Gallery where art work of our staff and their family members was on display. Rahul Patankar, s/o Jaisingh Rao Patankar with his cartoon caricature, Jyoti Kenkere and Smita Ballal with their Painting pieces impressed all visitors. There is huge scope in enlarging this portfolio.

Last but not least, thanks Ravi Meghavat for his excellent music & sound system and Swami Kripa Hall management for their logistics support and delicious भरली वांगी, भेन्डी मसाला, श्रीखंड - पुरी...!

## THE POWER OF SHARING

Sharing and caring been a universal need,  
Strongest link for togetherness, any can read.

Some share all their sorrows, but ignore others' pain,  
While some revel in joy, leave sorrow to remain.

Hardened hearts, refuse to, either share or to care,  
Leaving love and kindness, to wither and despair.

While, in sharing our joys, they multiply and grow,  
Sorrows, when shared, become more bearable to know.

To know, to unite, to heal and to show our love,  
Emotions, a Divine given gift, from above.

We need to support, to care, and to understand,  
It is hard to stand alone, and all need a hand.

Let us nurture empathy, and share from the heart,  
Be it our loved ones or strangers, a brand new start.

We honour the Divine by sharing and caring,  
Make world a better place, for all living beings.

## SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for

greeting the retirees who are set to reach the milestone and entuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years of age during **MARCH 2025**.

## CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Dear friends,

Many members are voluntarily opting out of CBROA welfare scheme (Medical reimbursement scheme) and sending mails, WhatsApp messages. We are finding it difficult to consolidate. Hence, we have devised a google form to enable us to consolidate it. Please use the below mentioned link, in case if you wish to opt out of the welfare scheme.
