FROM THE DESK OF GENERAL SECRETARY

Dear Members/Associate Members,

FOR CBROA MEMBERS ALL ROADS LEAD TO BENGALURU

We are holding our Triennial Conference at Bengaluru on 21st and 22nd March 2026. More than 2000 Members of our Association have registered their names to be delegates for the Conference. The last time we held our Conference at Bengaluru was in 2006 and after a gap of 20 years, Bengaluru is hosting CBROA's Triennial Conference which will be held at the NIMHANS Auditorium nestled in the picturesque background of sprawling NIMHANS Campus. Our activists have made elaborate arrangements for the comfortable stay of the delegates, observers coming from every nook and corner of the country. We extend a hearty welcome to all our delegates, observers coming from all corners of the country to the naturally air-conditioned city, with tree-lined avenues, lush green spaces, gardens, parks, calm and serene walkways and expansive views. The City offers a setting where life feels more balanced, more breathable and more composed. People get mesmerised by the lush green boulevards, gardens and parks which dot the City and reshape how the community looks, feels and

lives. With an open, azure skyline and lush green surroundings, it brings a rare sense of depth and tranquillity that rejuvenate the soul. Everyone will enjoy the surroundings as part of a larger ecosystem, everyday moments move easily, offering a setting that restores, reconnects and quietly elevates everyday living. One will experience nature woven into everyday living and a grand symphony of life.

Home to innumerable skyscrapers, the Iconic Vidhana Soudha, world renowned Educational institutions, high-rise buildings, technology parks, reputed hospitals, several Software Companies, multi-national Corporate Offices, the City presents all the features of a megacity. Being home to big Corporates like Infosys, Wipro, TCS, Microsoft, BIOCON etc., a visitor to the City will witness a confluence of people from all the states of India, representing different cultures, language, life style, thus giving the City a cosmopolitan character. The City has ushered as the Silicon Valley of India and also the fast emerging AI Hub of the world.

Bengaluru City, the miniature India, extends a warm welcome to all our delegates and observers. The Triennial Conference is coinciding with the thirtieth year celebration of CBROA. Thirtieth year celebration is called "PERAL ANNIVERSARY" and our members from across the country will witness celebration of three decades of CBROA representing retirees and pensioners of our Bank and fighting for their legitimate rights. It is an occasion to reflect on the various milestones achieved by CBROA, highlighting the history of CBROA's formation and it's struggles to bring comfort and solace to the pensioners and retirees of our Bank. The occasion marks a gathering of solidarity, bringing together our members from across the country to focus on our future goals.

We are meeting at a time when a long standing campaign issue of retirees for the past 30 years in the Trade Union movement of Pensioners and Retirees of Banking Industry, is coming closer and closer to full realisation i.e "PENSION UPDATION". Developments in the Hon'ble Supreme Court in respect of Civil Appeal No.7993 of 2023 (SLP No.005561 of 2016) which involved M C Singla and Others Vs the Union of India, concerning updation of their pension, are very encouraging. The Hon'ble Supreme Court has clearly indicated that Banks are required to pay pension in accordance with the Pension Regulations. It is likely that the concerns of Bank Pensioners will be positively addressed by the Hon'ble Supreme Court in their judgement to be delivered with a direction to the IBA / Government to revise pension on the basis of the revised pay scale arising out of each Bipartite Settlement from the date of retirement of the employee. We are confident that justice is not far away for the Bank Pensioners. The chariot of justice is moving towards the Bank Pensioners in M C Singla case.

CBROA continues to uphold the banner of Pensioners'/Retirees' rights, unity and dignity. Our campaign to bring comfort and solace to all Pensioners and Retirees will continue in a relentless manner. The Triennial Conference is an occasion to rededicate ourselves to the cause of the Pensioners and Retirees of our Bank in particular and of Banking Industry in general.

We wish our members /Associate Members, health, happiness, joy and cheers for all the time to come.

We also wish all of you a very happy and colourful Holi, Ugadi/Gudipadva, Ramzan, Rama Navami and Mahaveer Jayanthi.

J S Jagadeesh

KINDNESS DEFERRED

Many of us harbor, regrets often,
Feeling that we have, neglected loved ones,
Our Parents, siblings, children, and close friends,
Who could have been treated, with more kindness.

No one is so free, to live as one pleased,
Since we lead our lives, as sculpted and shaped,
By the circumstances, the surroundings,
And the need to meet, our necessities.

Unless our choices were solely our own,
Regret seems needless, a weight to atone.
Yet, while we recognize, what we have missed,
Wise to make amends, if that could be reached.

Let us learn from past, and live with more care,
Nurture relationships, beyond compare.

THE STORIES WE LIVE AND LEAVE

Our lives unfold like pages of poetries, turned,
Stories of joy, of sorrow, of escapades, faced.

Some are short and brief, like comics and fleeting tales,
Others like epics, with memories that prevail.

Each life a narrative, unique and grand its own,
With heroes, villains, and an unpredicted plan.

Players experience it all: pain and delight,
Jealousy, sadness, kindness, peace, and love's warm light.

Every tale ends, and a final page is turned,
A conclusion is reached and a life's lesson learned.

Though tragic ends may come, and goodbyes are too sad,
Our stories retained as legacy, make us glad.

The Sweetness of Solitude.

French Mathematician Blaise Pascal once famously wrote “All man’s miseries derive from not being able to sit quietly in a room alone”!

We wake up every morning switch on TV to “see and hear” hot news and listen to the hot debates, open News Paper to read hot news while sipping hot Coffee. And never to leave alone, our favourite Cell phones which bombard with all hot stuff to suffocate our minds. It is hot both inside us and outside. We have become experts in creating noise. Pascal rightly observed that most of our miseries stem from the noise we create or rather due to our inability to see the importance of being alone in silence even for a short period each day.

The power of silence is often overlooked in a world filled with constant noise and distractions. Saying nothing can be best solution when dealing with a challenge. If you choose to make noise, let it be with your actions, not with your words. But there is one person with whom you should talk in “Silence” and that is You!

While silence can be powerful, there will be situations where open communication becomes necessary. Depending upon the context and needs, one should find a balance between silence and vocal expression.

Our mind gets lot of energy and freshness when we observe silence by being alone. Observing silence stimulates our brain cells, relieves stress by lowering cortisol and adrenaline levels. And this is the very purpose of meditation our sages have taught us. Let us not misunderstand solitude as loneliness. Solitude is a short but sweet break. Let us not miss out that sweetness.

SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for greeting the retirees who are set to reach the milestone and enthuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years of age during MARCH 2026.

 But mind you !
 You are yet to
 do rounds
 Till one hundred!
 So are

CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Medical Relief paid during the month of February 2026.

Dear friends,

Many members are voluntarily opting out of CBROA welfare scheme (Medical reimbursement scheme) and sending mails, WhatsApp messages. We are finding it difficult to consolidate. Hence, we have devised a google form to enable us to consolidate it. Please use the below mentioned link, in case if you wish to opt out of the welfare scheme.

LETTERS TO THE EDITOR

Heartfelt Congratulations on the 30th Anniversary Special
CBROA Newsletter

Dear Sri C. Prabhakarji
Editor, CBROA Newsletter
Bengaluru

With a deep sense of pride and emotion, I extend my heartiest congratulations to you and your Editorial Team for bringing out a touching and well-crafted Newsletter to mark 30 years of CBROA's meaningful and eventful journey.

This special issue reflects not just information, but the soul of our Association the silent sacrifices sustained struggles and unwavering unity of retired officers who stood together to build CBROA brick by brick. The General Secretary's brief beautifully enlightens members, especially the newly joined Life and Associate Members, helping them emotionally connect with the legacy they have become part of. The State-wise and Region-wise reports vividly portray the living, breathing presence of CBROA across the nation

At the same time, many of us could not help but emotionally miss the voices of our senior stalwarts*the Founder, Advisors, Immediate Past Chairman and present top office bearers whose reflections would have added a special warmth and historical resonance to this milestone issue.

Nevertheless, this Newsletter stands as a worthy tribute to three decades of collective resolve and comradeship. Your sincere effort deserves appreciation from every member who cherishes CBROA.

With warm regards and heartfelt appreciation,

Yours fraternally,

P. P. J Nair

THE MEANINGFUL LIFE I LED, HAS NOW BECOME HAPPIER!

At 92, I have lived a long and meaningful life, having seen a new independent nation grow before my eyes. Coming from a family of doctors, I have had discipline and values inculcated very early, which stood by me all my life – through 60 years of marriage, children, grandchildren and great-grandchildren. Now, for the past six years, Athulya has been my world. I'm treated like a queen here. No tension, no BP — just care, comfort, and peace. I have always been grateful for what I had. Now I feel truly blessed.
